Shedd Hill Bridge

Since 2001 the Stoddard Garden Club has planted and maintained the flowers in the 7 six foot long boxes on the Shedd Hill Bridge. The boxes were constructed by John Lightbody with lumber donated by Carlisle Lumber Company.

Monetary donations from individuals and businesses in Stoddard (called Bridge Box Sponsors) help purchase the soil, nutrients and flowers for these boxes each May.

AUDITORS REPORT

The records of the Selectmen, Town Clerk, Tax Collector, Treasurer, Trustee of the Trust Funds, Cemetery Commission, and Library Trustees have been examined pursuant to RSA: 41.31 for the year ending June 30, 2004.

This audit was conducted by balancing all accounts, checking all income and expense vouchers and verifying the method of handling all aspects of the financial positions of the Town of Stoddard. This included the procedures used by the duly elected Officers and appointed personnel charged with the responsibilities of the positions listed above.

In the opinion of this Auditor, the above accounts, together with their financial statements, present fairly the financial position for the year end of the Town of Stoddard. These records also conform to generally accepted accounting principals applied using the cash basis method.

Respectfully submitted,
Virginia R. GrandPre', Auditor

SELECTMEN'S NARRATIVE

All financial reports herein are from the 7/1/03 - 6/30/04 fiscal year, being that those are the most recent audited reports. The Budget and Estimated Revenues are the exceptions to this rule.

We recently learned that Brian Cahill will soon be leaving our community after serving many, many years as Fire Chief. With heartfelt gratitude for his dedicated service to the town, we wish Brian the best of luck in all his future endeavors.

Congratulations to Patricia (P. J.) LaMothe, on being chosen our new Fire Chief.

We want to take this opportunity to express thanks to all the volunteer members of town boards and commissions whose time and efforts seemingly go unnoticed. We very much appreciate that you take time from your busy lives to serve our town.

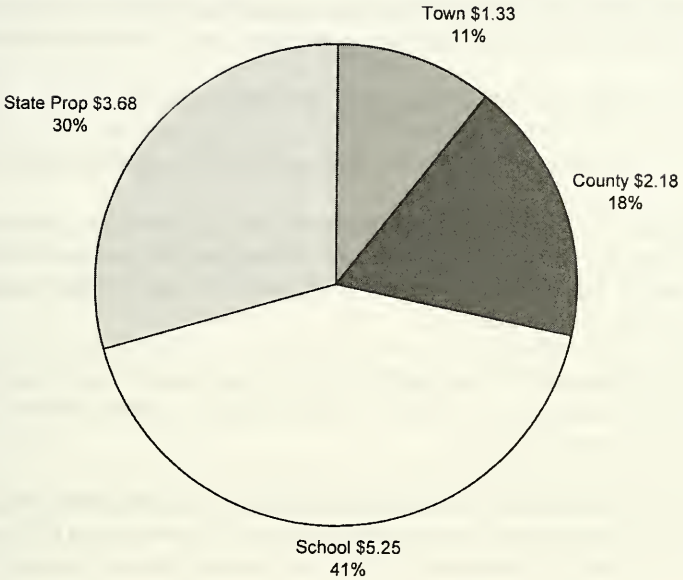

Our thanks also go out to the Stoddard Garden Club. Now that spring is here, we will begin to see your flower boxes and plantings making Stoddard a more beautiful place.

REMINDER: You need a permit for most building, excavating, lot clearing, and timber cutting. Any land work near a lake or wetland area may also require a permit. Please take the time to check with our office to obtain the necessary permits and make certain that your project is not in violation of any local or state laws before getting started. Thank you.

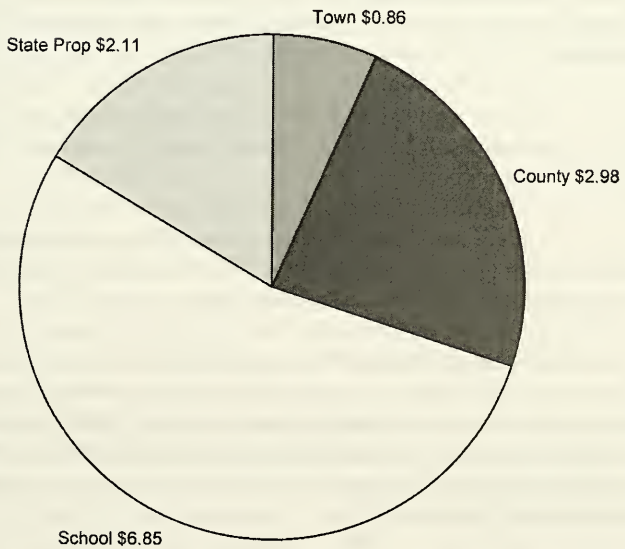

Your Selectmen,

Bradley C. (Chet) Pratt, Jr., Chairman
Louis E. GrandPre'

STODDARD POLICE DEPARTMENT REPORT

This report reflects much of the involvement in a higher Criminal Investigative area by this Department. The Town of Stoddard is saturated with Burglaries and Thefts. We experienced many home Burglaries and Thefts of Mail from Mail Boxes. In almost all of these cases, the perpetrators were found, apprehended and prosecuted. Most of these cases were of Felony level and were heard before the County Superior Court. Cases such as these involved a great deal of time to finalize. Consequently, this Department did not get to devote more than minimal time to Patrol. Our intention is to formulate a plan to put more time into the area of Patrol and Policing of the Town. We are committed to this, time permitting. Officer Congdon has done much of the Patrolling and has stopped many vehicles for violations. Court Trials have resulted with many of the stops made. As most of you are aware, any person issued a Summons for any violation has the option of requesting a Court Trial. Court time and Trial time removes our visibility, consequently, less Patrol. We hope to rectify that in the future.

Another area of Criminal activity is Gas Drive-offs from the pumps. We are called to stop and identify these subjects. In most cases, we were unable to locate the vehicle due to false or wrong information provided by Station Attendants. Drive-offs when fuel is $2.00/gallon are rapidly growing. Those that we did manage to deal with returned, paid for the gas and did not need further prosecution. Credit Card Fraud is a problem nationwide and has arrived in Stoddard. We have just one case and to date it has not been resolved. These are vary difficult to solve because in this case, the person committing the fraud is allegedly in another State. We suggest CAUTION when you use your Credit Card.

As indicated from the last report, items such as Domestics, Fire and Rescue calls are down. Many of the Rescue calls do not require Police presence. Dispatch makes it a point to inform us of a Ambulance or Rescue call, however, we also are told that we do not need to respond unless Emergency personnel suspect something suspicious, or we are needed for "lifting assistance". Calls of a Domestic nature dropped. We Thank You.

We recorded 15 calls to Assist Other Police Agencies. At this time, the County Attorney is formulating a plan to somehow join, by way of Mutual Aid Agreements, the 23 communities of this County so that we may be called upon to assist anywhere in the County. Prior to his involvement, we were only called to Towns that we had signed agreements with. This has not been approved as of this writing, but looks like it may happen.

The issue of identifying a particular address is still a problem. Some have complied with our request of putting numbers on their property to assist us in locating them, however, some have not. We request again your help with this issue. If you need us and we can't locate you because your property is not identified, it lengthens our response. For those of you that complied, thank you.

PHONE & MAIL SCAMS: Be aware that this activity is now taking place in this area. Recently, Roxbury has two such events and Hancock has had one.

These are some that have been reported. Many do not get reported by victims because of the embarrassment factor. The victim from Hancock has lost all her life savings. Both Roxbury subjects were able to stop their losses before it was too late. The target of a Scam is usually an elderly male or female. The Scam artist implies that he/she has something to give away, but it winds up costing dearly. A US Treasury Agent attended a local meeting on 02/17/05. He advised that Police Departments warn people before they get the bite put on them. So.....BEWARE.....small Towns such as Stoddard are good hunting grounds for these Vultures.

Respectfully Submitted,

David Vaillancourt, Constable/Police Chief

Over the past year we have been working with Lindsay Freese, the Town's Emergency Management Director, on a Pre Plan for Mass Evacuation for the town. We have also been working on the Town Emergency Plan. This will provide all the information and procedures ready for any town emergency.

The Antrim Ambulance Service has changed to a direct billing pay per call basis. This will save on our taxes, as the people using the service and their insurance companies will be responsible for all expenses. We still continue to receive excellent service from the Antrim personnel.

We temporarily lost a valuable asset this year to the Armed Services. John Wilder was called to active duty for the Army National Guard, and is serving in Afghanistan, for Operation Enduring Freedom. We are all proud of him and wish him and his family all the best of luck and a safe return.

We received a State Grant for twenty ten year battery smoke detectors. The purpose for this grant is to provide the elderly and residents with children an early warning to any fire conditions in the house. The department will install and educate the recipients to their proper use.

We are currently pursuing an additional grant to upgrade our Jaws of Life. We need to purchase a larger pump and larger extrication tools, for more advanced extrication situations. We will be asking for matching funds to make this possible. As always we appreciate your support.

We welcomed a new recruit in Kathleen Whitcomb to the Rescue Squad. She completed her EMT certification with a lot of hard work and determination and we will all benefit. Lieutenant Randy Weaver also received his Firefighter I certification after a long summer of training. We appreciate your dedication. Thank you.

Our near future plans consist of retiring our 1976 pumper. It is our intention to purchase a Mini Pumper with small pumping capabilities, and able to carry emergency equipment. This will be set up for quick response to all emergency situations and more versatile for equipment related scenes.

We are extremely pleased with the participation from the town to our chicken BBQ (sold out in 1 hour 15 minutes, may be a record!), the Halloween Party and Christmas Party. These events are great for us to meet and greet the community. Thanks to all!

CEMETERY COMMISSION REPORT
2004

The new roadway to the Dow Hill Cemetery has been installed. It now allows you to pull down the hill to visit ones/care for their monuments and flowers - then drive out! This is so much better than having to back all the way up the hill! As the number of lots that are available for sale seem to be adequate, we don't foresee having to do a new survey now. However, in the future, as it becomes necessary to inter further down the hill, we are all set to have the section below the lower stone wall and the new roadway available for additional lots.

For 2005, we are hoping to have a new sign installed which will correctly identify this cemetery. The "new" cemetery addition - to the school hill cemetery - was first used in 1985. The first interment in the old portion of this cemetery was 1792. It has been known as the "New" cemetery and this is a misnomer, it is the "Dow Hill Cemetery". The "New Town Cemetery" is located on Mount Stoddard Road and it isn't so new! This cemetery dates 1822! Thus the "new" confusion. We hope to get the sign in this year.

I would like to take this opportunity to "Thank You", Glen and Ellen Mason who do such an exemplary job on maintaining the lawns in all of the cemeteries for which we are responsible.

STODDARD ZONING BOARD OF ADJUSTMENT
REPORT 2004-2005

The zoning board meets as needed to consider applications for zoning variances, special exceptions and equitable waivers. The hearing(s) we have had pertain primarily to set backs of garages and decks from lot lines.

FYI: In the Town of Stoddard, a building needs to be set back 25 feet from its lot lines. This applies to buildings, porches, additions, decks, garages, etc. A utility shed that is LESS THAN 100 sq. ft. can be located as close as 15 feet from a side lot line. Development near the water has its own special set of limitations: a buffer zone of 50 ft. from the edge of the high water mark shall be left to prevent siltation into the waterway. See Stoddard Community Planning Ordinance for further information on construction of decks, porches or buildings that might affect this protective 50 ft. buffer zone.

We would like to "Thank You", the towns people, for your cooperation and support of the Zoning Board in our efforts to make Stoddard a better place to live.

Stoddard School Board

2004 ANNUAL REPORT

The Stoddard School District has had another busy and satisfying year focusing on refining many aspects of the educational organization for Stoddard.

First, David Bell joined the staff as a part-time principal for one-year. Under his guidance, many issues have been addressed, and the school is operating more smoothly. With his extensive experience and his great sense of humor, he has helped improve morale among the faculty, parents, and students as he clarified the basic mission of our school: to provide a safe, happy educational environment for the children of Stoddard.

Secondly, the school building itself has received much needed attention. Over the summer months, Ray LaGasse and his crew have worked diligently to improve the appearance of the building. The inside was meticulously cleaned and painted; storage units were purchased and designated so that no clutter exists in the hallways. In addition, siding was applied to the outer surfaces where the building was showing wear and the structure was in jeopardy.

Presently the Board is looking for solutions to improve the taste of the available well water in order to discontinue purchasing bottled water that adds to trash and clutter in the building.

These changes are creating an improved educational environment for the children; they are learning to support neatness and order as tools for better learning.

The professional staff, other personnel at JFES, and the staff of SAU 24 continuously review and upgrade the curriculum so that Stoddard students will receive the excellent education they deserve. We are fortunate to have caring, dedicated staff teaching at JFES. They are committed to the students and to the community; for this we are most appreciative.

We also appreciate the guidance of Dr. Christine Tyrie and the staff of SAU 24 who significantly help the Board and school to operate smoothly. We also thank Helen Hayes, who resigned last June, for her many years of service as school secretary.

The school often has programs to which the community is invited. For example, this year JFES held its first community play-day when the school children and members of the community climbed Pitcher Mountain. Everyone had a great time. Other opportunities to participate include volunteering in numerous activities in and out of the classroom or attending the regularly scheduled concerts, assemblies, and meetings held at the school. In August, we held the 2nd Annual Awards

Ceremony where we recognized our volunteers and the students who achieved honors or high honors.

Finally, we encourage families to be involved in the Parent-Teacher Organization. From this evolved the Playground Committee led by Jeff Bush and Carol Clark that has raised money from individual contributions and grants to initiate the rehabilitation of the school playground deemed unsafe by the insurance company. The Board is committed to finishing this PTO project so that the children may enjoy outside play which nurtures and enhances each student's capacity to learn more easily.

The Board of Education has changed also. After many years, Carol Clarke resigned her position as Chair of the Board. Brian Pratt was nominated and elected to fill her position. We thank both for their willingness to serve the people of Stoddard.

Finally, the Board has hired a new part-time principal, Mr. John Thomas, who will continue the good work of advancing the school, its curriculum and activities begun by Mr. Bell this year. We thank Mr. Bell and we welcome Mr. Thomas.

Michael F. Meyer, Chairman
Alfrieda J. Englund, Vice-Chair

Principal's Report

I have had the pleasure of working with a terrific bunch of youngsters from Kindergarten to Grade 5. The students have exhibited warmth, a caring nature, a delightful sense of humor, a curiosity for learning, and a desire to develop solid work habits. The teachers are experienced and knowledgeable about curriculum, and they care very much about their students. Parents are supportive of the school and pitch in when needs arise. If every school in the nation were this blessed, there would be no need to worry about any child being left behind.

New School Principal

The school year that begins in July will see Mr. John Thomas as the new school principal; replacing David Bell who has served as interim principal during the 2004-2005 school year.

Currently, Mr. Thomas is completing a master's program in educational leadership at Antioch New England Graduate School. He is a former assistant principal and elementary school teacher who is very knowledgeable about elementary schools and curriculum. In addition to the day-to-day operations of the building, John sees his role as making improved connections between JFES and the community, Keene schools, and the SAU. He has expertise in the areas of technology, and will work with students and staff to use technology to enhance education. He will manage grants and budgets, supervise and evaluate staff, review and revise policies and procedures, and work to bring JFES even closer to a school of excellence.

As well as his teaching and administrative background, Mr. Thomas has extensive experience in the business world and holds an undergraduate degree in business. John lives in Keene with his wife Laura, who teaches at Antioch New England, and their two children.

The Stoddard School Board and Superintendent will hold a reception in April to give students, parents, and community members an opportunity to meet and welcome John Thomas to the school community. A transition will take place during May and June.

Staffing:

School began in the fall with some changes in personnel and organization. Some positions have been filled as the year progressed.
Laura Gifford, R.N., School Nurse

Ellen Blair, School Counselor, focusing on behavior and attitudes (relate to social skills of students focused on stress management, anger management, and bullying behaviors.)
Dean Macy, Music Teacher
Karen Lamy, Classroom Aide
Pam Dionne, School Secretary, formerly a classroom aide
Betsy Haley, Food Service and part time school secretary

Brian Pratt joined the Stoddard School Board this year
Alfrieda Englund became Vice-Chair
Michael Meyer became Chair

Some highlights of the year thus far:

Pitcher Mountain Day was held in October when all students hiked up to the Fire Tower and enjoyed lunch in the open air. The school is located just below the trailhead to the summit, which lies along the Monadnock-Sunapee Greenway. Students, Staff, and Parents enjoyed the experience. Perhaps there could be a campout next fall together with hiking more of the trail.

In the spring of 2004, **Kathy Guertin's K/1 class** had their annual Mothers Day, then Fathers Day, and then Grandparents Day celebrations during respective evenings.

Of the many highlights in **Maggie Sergeant's 2/3 class**, one is the integration of wildlife in the classroom. Be it Sam the therapy trained dog, guppies and a Siamese Fighting Fish, gerbils, or the one remaining chinchilla, students learn a sense of responsibility and observe first hand the natural life cycle of a few of nature's creatures.

In addition to excellent organization, assignment books, and high curriculum expectations in **Mark LaFleur's room**, where students leave to join the Keene Middle School, the annual Halloween Parade featured Captain Jack Sparrow from Pirates of the Caribbean. It had to be seen. Mr. LaFleur offers a varied, creative, and in depth program to his students. This principal views the student body as fortunate to have such capable and experienced teachers.

In the realm of Special Education, Janice Dialessi performs a balancing act of taking care of the volumes of sped paperwork, overseeing pre-schoolers that have sped issues, and case managing Stoddard students in Special Education that attend Keene Middle School and Keene High School.
While the numbers appear small at JFES upon first look, when one adds up the above tasks, in addition to actual screening that Janice does, it is a job that requires expertise and energy.

Christmas Program

A final note in this report is to claim a superb performance by the James M. Faulkner Elementary School students in their annual Holiday Program. The Haley sisters performed guitar and flute duets, the French Club performed, under the direction of Marylise Reilly, a fascinating version of The Three Little Pigs, in French, of course. The 2/3 room class performed a charming skit, and finally, the combined K/1 and 4/5 classrooms performed a play about Melton the Snowman. Naturally, every school in the nation thinks its kids are the best in such performances. Stoddard is no different except that if there were a national ranking, Stoddard would be in the top ten.

It has been and it is a privilege to be the part-time interim principal at this school.

INDEPENDENT AUDITOR'S REPORT

To the School Board
Stoddard, New Hampshire School District

We have audited the accompanying financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the Stoddard, New Hampshire School District as of and for the year ended June 30, 2004, which collectively comprise the District's basic financial statements as listed in the table of contents. These financial statements are the responsibility of the District's management. Our responsibility is to express opinions on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and the significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinions.

In our opinion, the financial statements refered to above present fairly, in all material respects, the respective financial position of the governmental activities, each major fund, and the aggregate remaining fund information of Stoddard, New Hampshire School District, as of June 30, 2004, and the respective changes in financial position and cash flows, where applicable, thereof for the year then ended in conformity with accounting principles generally accepted in the United States of America.

As described in Note 1 to the basic financial statements, the District adopted Governmental Accounting Standards Board Statements Nos. 34, 37, 38 and GASB Interpretation 6 during the year ended June 30, 2004.

The management's discussion and analysis and budgetary comparison information on pages 3-6 and 22-23, respectively, are not a required part of the basic financial statements but are supplementary information required by accounting principles generally accepted in the United States of America. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the required supplementary information. However, we did not audit the information and express no opinion on it.

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Stoddard, New Hampshire School District's financial statements. The combining schedules are presented for purposes of additional analysis and are not a required part of the basic financial statements. The combining schedules have been subjected to the auditing procedures applied in the audit of the financial statements and, in our opinion, are fairly stated in all material respects in relation to the financial statements taken as a whole.

SCHOOL ADMINISTRATIVE UNIT #24

2004

ANNUAL REPORT

School Administrative Unit #24

Superintendent of Schools Report

Our enrollments across the SAU stayed constant in 2003-2004 at approximately 2700 students. However, Henniker Community School and Center Woods Elementary School saw declines in student numbers. Weare Middle School student numbers stayed exactly the same, and James Faulkner Elementary School and John Stark Regional High School increased their student numbers. The individual school trends present different challenges for staffs and community, as some schools need additional space for growth and other schools need less. Besides overcrowding, safety and programmatic issues at Weare Middle School will result in the Weare voters deciding this year on the merits of a new middle school which is proposed to be built across from the safety complex on Route 114.

We continue to address school concerns through a strategic planning process that commits school administration and staff to positive and sustainable change. We support change through high quality professional development. This year we have an increase in the number of early release days as well as better use of after-school time for planning, implementing and monitoring better instructional strategies for increased student achievement. Our focus continues to be English and math, working to make sure that all students are performing at least on grade level. New state testing, the New England Common Assessment Program (NECAP), will supplant the NHEIAP. Piloting of the tests was completed this fall. Testing will begin next fall in English and math and will be given in all grades 3 through 8. Progress toward No Child Left Behind goals will be measured by these tests. Schools failing to have all subgroups make adequate yearly progress could fall into the "needs improvement" category.

The new SAU technology director has supported changes and planning for better use of technology in his first year. We will be gaining administrative efficiencies, the ability to monitor student progress, and be able to use data to make decisions on the distribution of limited resources. The SAU website has been upgraded. All Board agenda and materials for Board meetings are now on-line for easy public access. Plans are underway for a web-based student software program that will allow data to be easily accessed from all schools. The SAU will be implementing new financial software that will be Windows based, replacing the current DOS program. All of the SAU schools are rewriting their technology plans this year. This must be submitted to and approved by the Department of Education every three years.

The SAU Boards have provided a mandate to increase collaboration among the Henniker, Weare and Stoddard schools. Administrations and staffs will work together to give students at each grade level the skills and knowledge they need to take the next step in their educational career and/or in their transition to the workplace. Having a single set of expectations and assessments combined with opportunities to share expertise and common professional development should enhance student achievement. Our assessment of our success is based on individual student achievement. Our shared efforts will continue our commitment to strengthen programs and learning opportunities across the SAU.

I would like to thank you for the opportunity to work in SAU #24.

Respectfully submitted,

Christine D. Tyrie, Ed. D.

Equalization Rate: Each year the Selectmen complete a report for the Department of Revenue Administration. This report lists all the properties sold in Stoddard for the past year with the sale price. The Selectmen must report the Assessed Valuation of the property and note if the sale was within a family or in some other way not qualified as a market value sale. Based on this information, the Department of Revenue Administration calculates the percentage of Assessed Value to Market Value.
